F.No. I/Commr/Cus/Misc.Corres./2019-20
Pune, dated : 14th July, 2020

Dear Sri Pradeep Kale,

The Covid-19 global pandemic continues to add pressure on many societies and various walks of life; health care workers, sanitation staff and organisations that keep the supply chain functioning despite the odds and risk of infection.

2. I would like to take a moment to reflect and place on record my gratitude and appreciation for the exemplary manner in which all the Custom Brokers and their staff under Pune Customs have discharged their duties.

3. Supply chain of essential commodities and those needed to keep the economic growth of our region and the country were kept seamlessly moving. This would not have been possible without the team work displayed by all the stake holders especially the Custom Brokers.

4. Your spontaneous response to collaborate with Pune Customs for rendering assistance to the PMC for upgrading/ expanding Covid care facility of a hospital is well recognised and acknowledged.

5. I once again thank you for extending full support of all the Custom Brokers of your Association and their continued dedication to maintain safe uninterrupted supply chain in these difficult times.

With *best wishes,*

Yours *Sincerely,*

(P. K. BEHERA)
COMMISSIONER
